

The judge signals the start of each exercise. Everything else, such as about turns, halts, changes of pace, etc. , is done independently. However, it is permissible to ask the judge for instructions.

Praising a dog is permitted after each exercise is completed. After that the handler may assume a new basic position. There needs to be a definitive break between praise and a new start (approx. 3 seconds). The dog is to be in heel position between exercises.

The starting basic position “G” is also the basic position at the end of the exercise. In the group, the DH and his dog has to circle around one person from the left and one person from the right side.
